With Stud Extenders

<b>Packing List</b>	<b>Packing List</b>
<ul style="list-style-type: none"><li>• (4)- wheel covers</li><li>• (4)- hub covers</li><li>• (8)- right hand stud extenders</li><li>• (8)- jam nut / jam nut cover combination</li></ul>	<ul style="list-style-type: none"><li>• (8)- spacers</li><li>• (4)- center hub logos</li><li>• (1)- installation tool</li></ul>

**INSTALLATION INSTRUCTIONS**

Note: This system can be installed with the installation tool provided. No other tools are necessary. Do not use power tools for installation. Phoenix USA, Inc. recommends storing the tool with the vehicle's tire tool for future use.

**Assembly drawings on back**

1. Do not remove the original equipment lug nuts.
2. Determine correct placement of stud extenders required for proper hand hole and valve stem alignment.
3. Install appropriate stud extender on the portion of the wheel studs that protrudes through the original equipment lug nut on opposing studs (180° apart). Tighten stud extenders with included installation tool.
4. Install spacer over the stud extender.
5. Install liner over stud extenders. Install hub cover over the stud extenders also.
6. Now, install the jam nut / jam nut cover combination onto the stud extender. Use the included tool to tighten jam nut /jam nut cover combination.
7. Complete the wheel cover installation by applying hub center emblem.
8. Repeat steps 2 through 6 for installation of other wheel and axle covers.

**Phoenix USA, Inc. Wheel Simulator Limited Warranty**

Phoenix USA, Inc. warrants the stainless steel wheel simulators it markets to be free from manufacturing defects for a period of 3 years from initial sale to the initial purchaser. Any potential claim should be initiated by contacting the warranty department at Phoenix USA, Inc. to request a Returned Goods Authorization number so that the defective item only can be returned to Phoenix USA, Inc. for inspection and evaluation. If it is determined that the part in question was, in fact, defective, the defective part will be replaced at no charge. Note: Phoenix USA, Inc. Stainless Steel Wheel Simulator products are protected under one or more of the following Patents: #4,932,724; #5,096,263; #5,193,884; #5,205,614; #5,205,616; #5,277,478; #5,286,093; #5,645,324; #5,669,672; #5,676,430; #5,695,257; #5,722,735; other patents pending.
